RE: Sand Lake Recreation Area 2025-2027 ATV Grant Proposal Project for Operations and Maintenance.

Dear ATV Committee Members,

The Tillamook County Board of Commissioners wish to express support for Oregon State Parks and Recreation ATV grant funding towards the safe operations of the Sand Lake Recreation Area.

The Sand Lake Recreation area draws many local, Pacific Northwest, and international visitors. We appreciate the collaborative relationship between the Siuslaw National Forest, Hebo Ranger District, and our Tillamook County Sheriff and Public Works Departments to provide emergency services and to improve local county roads. The opportunities for visitors to enjoy the Sand Lake Recreation Area's beautiful estuary and sand dune environments, increases the welcoming nature of Tillamook County.

Thank you for considering the continuation of ATV grant funding for the Sand Lake Recreation Area. Our local businesses greatly benefit from the recreational resource these public lands provide. Plus, the wellness activities and access to nature experienced at the Sand Lake Recreation Area as part of everyday living, align with the values of Tillamook County.

SECTION I: APPLICATION OVERVIEW

A. INTRODUCTION

In 2024, the Oregon Legislature passed SB1579 directing ODOJ to develop and administer a one-time non-competitive grant program to expand children's access to CACs and RCACs and increase the number of children served. SB1579 appropriated \$7,000,000 to the grant program and directed ODOJ to distribute the funding in two parts:

Part 1 Funding (non-competitive) – 50% of grant funds were to be distributed in equal shares to each of Oregon's CACs. The funds were made available in May 2024. Per SB1579, any undistributed amount in Part 1 funding would be awarded to Oregon Child Abuse Solutions to support CACs seeking accreditation with NCA.

Part 2 Funding (non-competitive) – 50% of grant funds were to be distributed according to rules established by Section 4(5) of SB1579 and the related OAR, as outlined in this RFA.

SB1579 requires ODOJ to award and distribute all amounts available for grants no later than June 30, 2025.

B. ELIGIBILITY

To be eligible for CACF One-Time Part 2 funding, applicants must be:

1. A CAC certifying that on or before June 30, 2025, they will be accredited by NCA or will have an application for accreditation with NCA pending, or
2. A healthcare provider (includes medical facilities) applying to expand medical assessment services, intervention services and any other services and supports not inconsistent with the purposes of ORS 418.746 to 418.796. The healthcare provider must submit, as part of their application, a letter of support from the CAC demonstrating: (1) the CAC commits to establishing an MOU or contract with the provider relative to the services and supports listed in their application, including the provision of data to satisfy reporting

requirements specific to this grant, and (2) the CAC satisfies the NCA accreditation requirements described in the preceding paragraph.

C. PURPOSE

The purpose of CACF One-Time Part 2 funding is to expand children's access to and increase the number of children served by CACs and RCACs in this state.

D. INFORMATION SPECIFIC TO CACF ONE-TIME PART 2 FUNDING

1. Per SB1579, applicants must demonstrate how the grant award would:
 - a. allow for initial consultation with a designated medical professional, as defined in ORS 419B.023, within 48 hours in accordance with Karly's Law; and
 - b. improve response times for intervention following incidents of child abuse and the prevention of child fatalities.
2. Factors ODOJ CVSSD may consider in determining awards include the applicant's ability to:
 - a. expand access to or maintain a CAC in an underserved community
 - b. expand access to a CAC in a geographic area of Oregon with no CACs
 - c. expand access to CAC services and supports to children from historically marginalized and underserved communities
 - d. provide behavioral and mental health services for victims of child abuse
 - e. provide services to drug-endangered children
 - f. provide services to children who have been trafficked
3. Information on allowable uses of the funding can be found below in Section IV: Use of Funds. Allowable uses of funds include:
 - a. expanding access to designated medical professionals, as described in ORS 418.747 (9); and
 - b. costs associated with obtaining accreditation from the National Children's Alliance, including application fees and support staff expenses.
 - c. costs directly related to maintaining or expanding CAC services, including, but not limited to: forensic interviews, medical

examinations, treatment, behavioral and mental health services, and referral and/or coordination of other related services.

4. ODOJ CVSSD must award and distribute all amounts available for grants under this one-time grant no later than June 30, 2025.

E. COMMON REQUIREMENTS FOR ALL ODOJ CVSSD GRANTEES

ODOJ CVSSD has established universal requirements for any application for state and federal grant funds administered by ODOJ CVSSD. These requirements include:

1. **Advancing equity and meaningful community engagement** (applicable only to organizations/agencies representative of the dominant culture)¹
 - a. All applicants must have a written plan of action in place to ensure they are advancing the values and practices of diversity, equity, and inclusion in the work of the organization/agency. All staff and designated leadership should be involved in the development and implementation of the plan.
 - b. All applicants must have a written plan of action in place for outreach to and community coordination with culturally specific programs in their service area serving Tribal Nations, as well as communities of color, 2S+LGBTQIA, people with disabilities, and other populations impacted by inequity^{2,3,4,5}. All staff and designated leadership should be involved in the development and implementation of the plan.

2. **Meaningful access to effective services supported with ODOJ CVSSD funds**

All applicants must have written plans or other materials to describe how they provide meaningful access to effective services. At minimum, plans must describe how:

¹ Dominant culture refers to organizations/services that are not culturally specific. A dominant culture is one whose values, language, and ways of behaving are imposed on others through social or other pressures. Most of the nonprofit organizations identified in this RFA are considered dominant culture.

- b. Victims/survivors are provided information on how to apply for Crime Victim Compensation.
- c. Services are victim/survivor-centered and encourage self-determination and informed decision making.
- d. There is planning and coordination of services when more than one provider is involved (co-advocacy).
- e. Referral processes are designed to care for and serve the best interest of victims/survivors. Referrals must ensure that victims/survivors feel supported while being connected to other services. Referrals are “warm hand-offs” not “drop-offs.”

3. Confidentiality and Advocate-Victim Privilege (for victim service providers only)

- a. Such requirements are mandated by state and federal law and required by ODOJ CVSSD. The laws are considered best practice to protect victim privacy and are consistent with other confidentiality provisions.
- b. For more specific requirements, see grant fund specific pages in this RFA and [Guidelines for Confidentiality Policies](#).

4. Effective Services and Sound Administrative and Financial Management

- a. Risk assessments are completed and submitted with the application.
- b. Financial and progress reports are true, accurate, timely, and complete.
- c. ODOJ CVSSD conducts regular monitoring (Financial Report Verifications, Administrative & Financial Desk Reviews, and Site Visits).
- d. True and accurate financial records kept in accordance with Generally Accepted Accounting Principles (GAAP) and federal Uniform Guidance.

5. Training

All grant-funded staff, volunteers/interns, and board/governing body

members are trained as appropriate as outlined in this RFA.⁶

6. Compliance with Relevant State and Federal Laws

Applicants must comply with relevant federal and state laws. These include civil rights laws and regulations prohibiting discrimination in federally assisted programs or activities (i.e., Civil Rights Act of 1964, Equal Employment Opportunity Act of 1972, Americans with Disabilities Act of 1990, Limited English Proficiency guidelines), state insurance requirements, and Uniform Guidance 2 CFR Part 200.

7. Compliance with Fund Specific Guidance in this RFA.

F. POSSIBLE OUTCOMES OF NON-COMPLIANCE

ODOJ CVSSD is responsible for ensuring that a subrecipient is in compliance with the general or specific terms and conditions of an award. If a determination of non-compliance is made, ODOJ CVSSD will take one or more of the following actions in accordance with 2 CFR Part 200 and the ODOJ CVSSD grant agreement.

1. Perform additional project monitoring.
2. Establish corrective action plan(s) to address areas of concern.
3. Require the subrecipient to obtain technical or management assistance.
4. Place special conditions on subrecipient with moderate to high risk assessment scores.
5. Require payments as reimbursements rather than advance payments, if applicable, depending on funding.
6. Perform monthly check-ins with fund coordinator.
7. Require monthly financial or progress reporting, or supplemental reports as requested by the fund coordinator.
8. Temporarily withhold cash payments pending correction of a deficiency.
9. Disallow all or part of the cost of an activity or action not in compliance.
10. Wholly or partially suspend or terminate the award.
11. Withhold further awards for the project or program.
12. Take other remedies that may be legally available.

⁶ New grantees must comply with all applicable CVSSD and CAMI Program specific training requirements.

SECTION II: GRANT AWARDS

A. AWARD PERIOD

The award period is two calendar years, from January 1, 2025, through December 31, 2026.

B. AWARD AMOUNT AND NUMBER OF AWARDS

1. Total funding available for this CACF One-Time Part 2 RFA is \$3,250,000.
2. The estimated number of awards is 12 – 24.
3. Per SB1579, the total amount distributed to a CAC may not exceed \$300,000, calculated based on the total of:
 - a. Amounts distributed to a CAC in CACF One-Time Part 1 funding; and
 - b. Amounts awarded to a CAC under CACF One-Time Part 2 funding, including any amounts awarded to a healthcare provider connected with the CAC.
4. The total award available to each CAC will depend on the number of eligible applications received. If all 24 Oregon CACs submit applications and qualify for CACF One-Time Part 2 funding, the maximum award amount per CAC will be \$135,416. Each applicant may submit a budget in two tiers:
 - a. Tier 1 Budget – maximum of \$135,416, (\$3,250,000 /24).
 - b. Tier 2 Budget – maximum additional budget = \$300,000 - (CACF Part 1 Award + \$135,416)

For example, if a CAC was awarded \$135,416 in Part 1 funding, and wanted to apply for the maximum total award of \$300,000, for this RFA they would submit a Tier 1 budget totaling \$135,416 and a Tier 2 budget totaling \$29,168.

Depending on the number of applications received, modifications to an applicant's Tier 2 budget may be necessary.

Healthcare provider applicants should work collaboratively with the CAC in submitting their application(s) so the amount requested doesn't exceed the maximum allowed per CAC. This is especially true if both entities are submitting applications for the same service area, to ensure the combined total requested from each entity doesn't exceed the maximum award allowed.

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs.

C. PAYMENT OF AWARDS

All payments are contingent upon funds being appropriated and available for distribution. Funds will be paid prospectively when grantee's CACF One-Time Part 2 application is in Grant Awarded status in DOJ CVSSD E-Grants.

D. UNEXPENDED FUNDS AND DEOBLIGATION OF FUNDS

All funds must be expended by December 31, 2026.

SECTION III: GENERAL INSTRUCTIONS FOR E-GRANTS

Once you receive the notification that your account has been activated, you can sign in and access the grant application.
4. Applications must be completed and submitted entirely through the ODOJ CVSSD E-Grants system. The forms section is where the majority of the work for an application is completed and where documents are uploaded. All forms must be complete with no error messages before submitting the application. **Remember to click “SAVE” frequently**, using the left-hand navigation panel to move through the forms. In order to submit a completed application, applicants must change the status of the application to “**Application Submitted**” when all forms are complete, and all errors are corrected.
5. ODOJ CVSSD has the right to make or deny an award without prior communication with the applicant.

CACF One-Time Part 2 applications **MUST** be submitted through the ODOJ CVSSD E-Grant system. For instructions on how to submit your application, please review the "Submitting your Application" section of the **ODOJ CVSSD E-Grant Applicant User Guide**.

The CACF One-Time Part 2 Grant Application is Due:

October 16, 2024, by 4:59 pm PDT

When applications are submitted, they are entered into a “read-only” status and cannot be changed.

At the deadline time, e-grants will lock the system and will no longer accept applications.

Late applications will not be considered for funding.

SECTION VI: APPLICATION REVIEW & AWARD DECISIONS

A. APPLICATION REVIEW PROCESS

This Request for Applications is non-competitive. Applications will be reviewed by ODOJ CVSSD staff and evaluated using the criteria set forth in this RFA.

ODOJ CVSSD may seek clarification about or ask for additional information regarding an application. ODOJ CVSSD may also require changes to an application prior to awarding grant funds and within a stated time frame as instructed by the ODOJ CVSSD fund coordinator. In conjunction with the review of applications for the CACF One-Time Part 2 funds, ODOJ CVSSD staff will factor in the applicant’s level of risk, previous performance, and compliance history with ODOJ CVSSD grant funds. This includes timeliness, accuracy and truthfulness of progress and financial reports, and information gathered during desk reviews and site visits. ODOJ CVSSD may consult their advisory committees regarding applicants with a history of poor performance and non-compliance, or applications that do not adequately meet the requirements outlined in this RFA. Applications are approved for funding once a determination is made that the application sufficiently meets the requirements outlined in this RFA.

As noted in the *Grant Awards* section, the CACF One-Time Part 2 application includes a two-tiered budget. Given this is a non-competitive application, all

applicants meeting the requirements outlined in this RFA will receive funding in the Tier 1 budget, up to \$135,416.

Once the Tier 1 funding has been distributed, the remaining amount for the Tier 2 budgets will be divided equally by the number of eligible applicants. Depending on the number of applications received, modifications to an applicant's Tier 2 budget may be necessary. That's because award amounts for expenses budgeted in the Tier 2 column will depend on the number of applicants and the amounts they requested in their Tier 1 budgets. For example, if there were 20 applicants all eligible to receive \$135,416 in their Tier 1 budgets, the amount available for Tier 2 budgets would be $\$3,250,000 - (\$135,416 \times 20) = \$541,680$. In this example, the \$541,680 in funds remaining, after all eligible applicants were allocated Tier 1 funding, would be divided equally among applicants who submitted a Tier 2 budget. If 20 applicants submitted a Tier 2 budget, then each would receive up to \$27,084.

Finally, note that per SB1579, the maximum award available per CAC is \$300,000, calculated based on the total of amounts distributed to a CAC in CACF One-Time Part 1 funding, and amounts awarded to a CAC under CACF One-Time Part 2 funding, including any amounts awarded to a healthcare provider connected with the CAC.

B. AWARD CONDITIONS

All grant awards are conditional upon the timely completion of modifications to the application and grant award documents. If application modifications and grant award documents are not completed by an applicant within three months of the grant award notice, then ODOJ CVSSD has the authority to withdraw the award and reallocate the funds. **Reports for all existing grants with ODOJ CVSSD must be complete before an award is issued or payment is released.** Funds are not considered obligated and will not be transferred until all required grant award documents have been signed by the applicant and by the ODOJ CVSSD designee. All ODOJ CVSSD grant agreements include requirements that must be satisfied by both parties to the agreement. ODOJ CVSSD may also include special conditions in grant awards at any point within the award period. Special conditions may include those described above under "Possible Outcomes of Noncompliance." An applicant's failure to satisfy the special conditions shall be governed by the default and termination provisions in the grant agreement.

C. RESERVATIONS OF RIGHTS

ODOJ CVSSD reserves the right to:

1. seek clarification from applicants regarding the application, ask for additional information about the application, and request modifications to the application;
2. award a grant contract without further discussion of the proposals submitted;
3. reject any and all applications received by reason of this request, or to negotiate separately in any manner necessary to serve the best interest of the public;
4. determine, in their sole discretion, whether a proposal does or does not, substantially comply with the requirements of this CACF One-Time Part 2 RFA; and
5. waive any minor irregularity, informal or non-conformance, with the provisions or procedures of this RFA.

D. REVIEW OF AWARD DECISIONS

1. **Informal Review** – applicants may request informal feedback regarding their grant application within 90 days after receiving notification of the award decision. Contact Kevin Dowling, Grant Fund Coordinator, for additional information regarding this process.
2. **Formal Review** - an applicant may request a review, by written request, to ODOJ CVSSD within seven (7) calendar days after receiving notification of the award decision.
 - a. Each applicant will be informed of this review procedure at the time a decision is made regarding its application.
 - b. No applicant will be subject to reprisal for seeking a review of an award decision.
 - c. When ODOJ CVSSD is notified that an applicant has requested an award decision review, a meeting will be scheduled for the applicant to meet with the ODOJ CVSSD Grant Fund

Coordinator. The Grant Fund Coordinator may also include other ODOJ CVSSD staff in the meeting. Every effort will be made to hold this meeting within 14 calendar days of the receipt of the review request. The ODOJ CVSSD Grant Fund Coordinator will notify the applicant of the meeting outcome/decision within five (5) calendar days following said meeting.

- d. If the matter at hand is not resolved through the above-described procedure, the applicant may request a review of the issue by the Oregon Attorney General or designee. The applicant shall make a written request for such a review to the Director of ODOJ CVSSD within seven (7) calendar days following notification of the results of the meeting described in the preceding paragraph.

APPENDIX A – GLOSSARY OF TERMS

This glossary defines terms found within this application that are common to the application.

ACCESS TO SERVICES: the degree to which a service is available to as many people as possible and the ability of people to benefit from a system or entity. To ensure meaningful access to services for all victims of crime across the State, programs must be able to appropriately respond to requests for assistance (i.e., completion of compensation claims, child abuse medical assessments, provide victim rights information, etc.). In addition, those agencies whose primary services are focused on a specific area of victim assistance must be able to directly link victims whose needs may be beyond their expertise to the appropriate community partner agency/program. Access to services is measured through outcomes.

Access barriers for underserved, marginalized, and/or oppressed communities may include complexity of application process; administrative barriers; language, literacy and culture; transportation and logistical barriers (hours of operation, word of mouth communication can limit access for small and newer communities); climate of fear and mistrust.

Approaches to improving accessibility could include assistive technology, adaptive technology, primary language materials, interpretation services, mobility access, sight access, hearing access, transportation assistance, etc.

RE: Letter of Support for Health Resources Services Administration (HRSA) Section 330 Grant

Dear Ms. Putman:

The Tillamook County Board of Commissioners is writing this letter as an agreement and commitment to the application being submitted by Tillamook County Community Health Centers (TCCHC) for continued Section 330 grant funding from Health Resources Services Administration (HRSA) and the Bureau of Primary Health Care. We collaborate with TCCHC on serving as the co-applicant in their scope of work and partner with their Board to ensure that all Tillamook County communities have access to affordable quality care.

TCCHC works with a variety of partners to achieve the best possible health outcomes for the communities it serves. The Section 330 funding assistance is essential for the continued operation and delivery of comprehensive health services provided to Tillamook County communities. Additionally, TCCHC is a Federally Qualified Health Center (FQHC) with five clinic locations and a mobile clinic in the county and is a safety net clinic that does not turn away clientele, regardless of the client's ability to pay. Our rural Oregon county needs a full range of health services and providers as evidenced by our Health Professional Shortage Area (HPSA) scores for Primary Care, 18; Dental 20; and Behavioral Health 23.

TCCHC has been operating in Tillamook County for over 30 years, and as an integrated FQHC with Primary Care and Public Health working together to offer clients much-needed outreach, preventative, dental, and behavioral health services. With the increased demand for access to quality services, and the increasing costs of health care and the uncertainty of health care coverage, we strongly support this application for continued Section 330 funding.

Sincerely,

BOARD OF COMMISSIONERS FOR TILLAMOOK COUNTY, OREGON

RE: ReConnect Congressional Spending Awards

The US Department of Agriculture has awarded Tillamook County with a Fiscal Year 2023 and Fiscal Year 2024 Congressional Spending Award through the ReConnect Program. Regrettably, we have determined that it is not feasible to accept the awards for the following reasons:

- There are significant differences between a competitive ReConnect grant application award and a ReConnect Congressional Spending award. In short, the ReConnect application model ensures USDA understands the project area, the financials, and the obligations during the application and awarding cycle. However, with the congressional spending model, the grant award comes before the project area and financials are developed, and the award will not supply the traditional grant and security agreement to the awardee until preliminary obligations are met.
- In order to obtain a grant and security agreement, the county completed a project readiness questionnaire, which included expensive, non-reimbursable environmental consulting.
- Additionally, the project readiness questionnaire resulted in the requirement of Section 106 compliance, which also must be performed by a subcontractor at an estimated non-reimbursable expense of \$44,000.
- While these non-reimbursable expenses are being incurred by the county, it still has no contract in place to receive the grant funds, nor has USDA made the county aware of the obligations associated with it. Furthermore, this process (questionnaire and environmental/historical review) must be repeated for the second (FY 2024) award, for which only \$1 million was awarded.
- Based on what we know to expect from obligations contained in other ReConnect agreements, we have significant concerns with the county's ability to meet them, including asset ownership and responsibility, securing an exclusive first lien on behalf of the government, and BEAD funding restrictions in ReConnect-funded project areas.

Tillamook County reached out to local USDA Rural Development staff for assistance and despite the efforts and the desire of everyone to make this work for our small county, there simply isn't the necessary flexibility in the funding process to make that feasible.

RE: Jenson Property Lease

Dear Board of Directors,

In 2021, Tillamook County acquired the 'Jenson Property', an aggregation of several tax lots in Township 4 South, Range 11 West, Section 24DD, for inclusion in the Kiwanda Corridor Project, a tourism and resident livability infrastructure project in Pacific City.

During project scoping, overwhelming community and county support led to locating the new Dorymen's Heritage Center museum on the Jenson Property adjacent to the Kiawanda Community Center. The Heritage Center will honor the pioneers of dory fishing and the unique heritage of the dory fleet.

The Pacific City Dorymen's Association has since utilized county transient lodging tax funds to complete a conceptual design, and a new non-profit spin-off named The Dorymen's Heritage Center, is planning to bring the conceptual design to life.

We continue to support the Pacific City Dorymen's Association and The Dorymen's Heritage Center in their efforts and hereby express Tillamook County's intent to lease a portion of the Jenson Property, to The Dorymen's Heritage Center.

Staff will prepare a draft lease for your consideration as time allows.

Sincerely,

BOARD OF COMMISSIONERS FOR TILLAMOOK COUNTY, OREGON
